

**CITY OF FRANKLIN  
REQUEST FOR PROPOSALS**

**Engineering Services**

The City of Franklin is seeking to retain the services of an engineering firm to assist the City in carrying out improvements to the 1300 Block of Sassafras Street in Franklin. The project will involve street widening and paving and associated improvements, possibly including a retaining wall and water/sewer infrastructure.

Request for Proposal packets may be obtained from the Franklin Community Development Dept. office, Room 211, Franklin City Hall, 430 – 13<sup>th</sup> Street, Franklin, PA 16323 (Phone: 814-437-7841). The packets may be sent via e-mail or post upon request. Proposals are due by 11:00 AM Dec. 27, 2016.

Selection will be based upon the evaluation criteria as set forth in the RFP documents. All proposers are notified that minority and women businesses will be afforded full opportunity to submit proposals. The City reserves the right to reject any and all proposals or to negotiate with any proposer in the best interests of the City.
